PROFESSIONAL PROFILE

Results-driven professional with over 5 years of experience in team leadership, operations coordination, and administrative support across international environments. Holding a Bachelor's degree in Information Management, I bring a structured analytical approach combined with strong organisational and communication skills. Proven ability to support senior managers, coordinate workflows, track performance, and act as a reliable bridge between management and operational teams. Eager to apply my leadership background and attention to detail in a Management Support role.

CORE COMPETENCIES

Administrative & Management Support • Planning & Scheduling • Reporting & Documentation
Stakeholder Communication • Process Coordination • Team Leadership • Microsoft Office Suite (Word, Excel, PowerPoint)

WORK EXPERIENCE

Team Captain / Operations Lead

2024 – 2026

Picnic, Netherlands

- Provided direct operational support to management by coordinating daily shift planning, team assignments, and workflow prioritisation.
- Prepared and delivered performance reports to management, flagging issues and recommending corrective actions.
- Served as the key communication link between warehouse operatives and senior management, ensuring smooth information flow.
- Monitored compliance with health, safety, and quality standards, documenting findings and escalating where required.
- Handled ad-hoc administrative tasks including scheduling, briefings, and team correspondence.

Freelance Warehouse Coordinator

2022 – 2024

Various Clients, Netherlands

- Supported operational supervisors with day-to-day coordination, task tracking, and logistics administration.
- Maintained accurate records of stock, workflows, and staff activity to support management reporting.

Operations Supervisor

2019 – 2021

Bluewave Facility Management, Nigeria

- Managed administrative and operational support for a team of 25 staff, including scheduling, shift planning, and performance monitoring.
- Compiled and presented reports to senior management on operational performance, stock levels, and workforce productivity.
- Acted as the central point of contact between ground staff and senior management, ensuring decisions were communicated and implemented effectively.
- Coordinated incoming and outgoing goods, maintained inventory records, and ensured documentation accuracy.
